## BURGLARS IN WEST HAVEN.

Chief Clinton Made an Important Capture Early Yesterday Morning.  
W. W. Clinton, chief of police of West Haven, made an important capture of a burglar at an early hour yesterday morning. While returning from his duty at the shore he discovered that the barn of Mrs. Charles Mix on First avenue had been broken open and upon entering found Joseph McCormick feigning sleep inside the building. McCormick was immediately placed under arrest and taken to the lockup. He claimed that he had not broken into the barn, but found it open and went in there to sleep. He acknowledged that he had no home and consequently Assistant Prosecuting Attorney Wilkinson drew up a warrant charging him with vagrancy. He will be arraigned on that charge this morning and the case continued in order to give Officer Clinton an opportunity to secure further evidence in reference to the burglary. For several weeks past numerous complaints have been made that barns in West Haven have been broken into, and it is thought that McCormick is one of the gang which has been committing these depredations.

## IT IS THE TALK OF THE TOWN

The public is realizing that we, as manufacturers, sell better made and better fitting Clothing for less money than can be obtained elsewhere. Perhaps that is the reason trade with us is constantly on the increase.

We have no other sale but

### OUR OWN SALE.

A sale of fine Clothing for Men, Boys and Children, of OUR OWN MANUFACTURE at first cost, which we are ready to prove is much lower than any other so-called "Sale Prices."

NOBODY SUPPOSES That when we say, for example, \$12.00 for a Suit, and someone else advertises one at \$9.00 or \$10.00, that you are going to decide on the relative merits of the two Suits on such newspaper statements. We mention prices usually, not so much for comparison with others, as to give some idea of the range.

What we aim to do in our advertisements, however, is to interest you in our store, and, if possible, get you to visit it. We are confident enough of your continual trade if you only will give us a chance to show you how we manufacture Clothing and how we do business. If we can't show you a good reason for dealing here, of course we can't expect you.

Our stock is replenished again with a full line of sizes of our

\$5.00, \$7.00, \$9.00 and \$12.00

Suits, which have created such a sensation among bargain seekers.
